2017. Hardcover. Condition: New. 332 ABOUT THE BOOK:- Twentieth century history witnesses many political upheavals in the international arena. History of the inter-war period emerges as an academic discipline and almost becomes an interdisciplinary domain similar to global studies. Students of history delve deep into the trajectories of historical development taking place after the First World War. Hence, the International relations in the inter-war period becomes a fascinating intellectual discourse which invites academicians to incorporate all such issues in their undergraduate and postgraduate courses. Their importance was felt across the years of the century and is still felt relevant. This book has been a noble attempt to discuss all such important international happenings in a limited framework following the onset of the First World War until the closure of the second one. It is in the form of a textbook and every effort has been made to maintain the standard. The language followed is precise and self-convincing. I believe the book in its present shape benefit the learners. ABOUT THE AUTHOR:- Having First Class Academic Career throughout, Dr. Prasanta Kumar Nayak (b.1967) received M.A., M. Phil and Ph.
