Pearson, United States, 2017. Loose-leaf. Condition: New. 4th ed. Language: English. Brand new Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title - including customized versions for individual schools - and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering products. For courses in Elementary and Intermediate Algebra Helping Readers Innovatively "Do the Math" The Sullivan Elementary & Intermediate Developmental Math Series , 4 th Edition introduces readers to the logic, precision and rigor of mathematics, while building a foundation for future success. Known for their hallmark examples that provide extra step-by-step support, the authors have continued their successful text pedagogy and have focused in the revision to translating it to the MyLab(TM) Math course for a truly dynamic learning and teaching experience. Key revisions to the MyLab Math course include guided "How To" exercises, modeled on the successful Show Case examples and new GeoGebra applet exercises. The Sullivan team has revised their MyLab Math course to ensure that readers are getting the most of the resources they have at their disposal. For example, they offer an enhanced e-text that allows readers to easily and quickly refer back to a specific page for examples. To encourage readers, the author team developed a MyLab Math that helps them develop good study skills, garner an understanding of the connections between topics, and work...
