Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. The weird, wicked world of the girl everyone tried to stop!Renie was always in need of new thrills and had a way of getting whatever she wanted. Even as a girl she knew everything a grown woman should and how to use her assets to her advantage. Naturally, it wouldn't be surprising for such a girl to become the wife of an important man. After all, a good leader needs a good companion-and Renie was a natural, especially when her husband got into politics. Now, with the chance of becoming first lady, she'll do whatever and whoever it takes to get to the top. Many have tried to get in Renie's way, but when you're dealing with a sly minx like her, you better believe she'll go to limit of degradation and beyond!.
