EDWARD LEACH, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Fake news. Media bashing. Vanishing readers. 1st amendment under attack. That is the state of affairs of newspapers today, but this is one way to push back. Readers have no idea what goes into bringing forth a daily or weekly newspaper. Dozens of vignettes illuminate a variety of news stories ranging from community gatherings to personal catastrophes. Mechanical mishaps interrupt the deadline drive. Young, bright reporters are quickly brought into the flow, and hone their journalist skills as part of a larger team. Remington keeps the paper moving forward as a team, and the newspaper excels. A major conflict with a local police chief requires months of behind-the-scenes investigation and inquiry. Town officials, almost all of whom are volunteers, react to seeing their words and deeds in print. The newspaper ad sales people try diligently to service their accounts and not just take orders. The NH primary is a passion for Remington and his staff alike and they are known as a "must stop" by many...
