ELLIS, MD, A JOURNEY FROM BOYHOOD TO MANHOOD AND CANCER PATIENT TO CANCER DOCTOR (PAPERBACK) ebook.

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Diagnosed in 1968 at the age of eighteen with a cancerous brain tumor, Mark Ellis was detoured to a life that is not part of any college student's agenda. His freshman orientation week at Wake Forest University would end with a brain operation and a terminal prognosis. Somehow he would defy the odds, survive five years of intense experimental chemotherapy, beat his diagnosis, and live to become a most beloved and visionary cancer physician. This dramatic narration of his life including his childhood, his education, his love of music, his family, his romance, and his illness is a true story that is an inspiring recount of how one man made a difference. You will laugh, you will cry, you will question coincidence, and you will be in awe of his resolve, inspired by his life, and encouraged to follow your own dreams, regardless of the obstacles you face. "Masterful. Poignant. An inspirational story told with warmth and humor. Lynn invites us into the life of her gifted husband to experience first-hand the inspiration of his legacy. Her words flow as effortlessly as the first cup of coffee shared with a friend. We were immediately hooked and thoroughly enjoyed the read." The Wickham's Grant Ladies' Book Club of Williamsburg, VA.
