WHO WAS LEONARDO DA VINCI? (PAPERBACK)

Grosset and Dunlap, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Leonardo da Vinci was a gifted painter, talented musician, and dedicated scientist and inventor, designing flying machines, submarines, and even helicopters. Yet he had a hard time finishing things, a problem anyone can relate to. Only thirteen paintings are known to be his - as for the illustrated encyclopedia he intended to create, all that he left were thousands of disorganised notebook pages. Here is an accessible portrait of a fascinating man who lived at a fascinating time - Italy during the Renaissance.
